

**To: Whom It May Concern****From: LONGi Solar Technology Co., Ltd****Regarding: Installation Method**

## Statement for Installation Method

We, LONGi Solar Technology Co., Ltd, a company incorporated under the laws of China with principal office address at No. 8369, Shangyuan Road, Xi'an Economic and Technological Development Zone (hereinafter "LONGi"), hereby confirm that:

- According to LONGi updated "PV Module Installation Manual", module can be installed horizontally and vertically. When installing the components, be cautious not to block the drain holes on the frame.

Thank you for your cooperation.
